UNIQUE INTRODUCTION

Unique Salons evolved from a vision to offer more than just great hairdressing; we strive to deliver a truly unique experience. From our highly experienced and skilled stylists, to our lavish and elegant surroundings, each element is considered with you and your salon experience in mind. So whether you visit our Beverley, Cottingham or Hessle salon, we invite you to lose yourself as we take you on a journey of pure indulgence.

MEET OUR AWARD-WINNING TEAM...

Master Colour Expert (MCE)

Among the very best colour experts in the UK, our MCE's have completed an intensive 12-month degree course to give you exceptional colour advice and service offering the latest techniques, tones and colour correction for all hair types.

Salon Director

Highly trained and talented, our Salon Directors have the ultimate hair knowledge and experience to always give you an incredibly stunning look.

Premier Stylist

Our creative Premier Stylists are passionate about looking after you and all your hair needs – get their advice on the latest trends and how to look after your hair at home.

Unique Stylist

Some of our very own home-grown talent! Our team of fully qualified stylists ensure that every client enjoys an outstanding Unique experience and leaves the salon with gorgeous hair.

YOUR THREE STEPS TO BEAUTIFUL HAIR...

All our services include complimentary refreshments and a relaxing head massage.

1. Consultation

To create your desired style your stylist will give an in-depth consultation to check your hair health, understand your hair goals, lifestyle, personal look and face shape.

2. In-salon treatments

We will never compromise on the condition or finish of your hair so your stylist will create a bespoke in-salon service unique to you, which may include prescribing conditioning treatments to ensure you love the end result – and it lasts!

3. Bespoke hair care programme

Your stylist will create a bespoke hair care programme with personalised products for you to maintain your gorgeous new colour and keep your hair in perfect style and condition long after you've left the salon.

UNIQUE CUT & STYLING

On-going training ensures all our stylists are skilled in the latest styles, techniques and cutting expertise to create the beautiful cuts and styles that attract compliments everywhere you go!

Included: Unique consultation, including hair and scalp analysis, luxury spa massage and refreshments.
